

Name	Surname	Grading to
------	---------	------------

Below are students who successfully completed our SKF Winter Course and are working towards grades listed. All scores for all grades will be carried forward and in some cases the opportunity to double grade will be given.

Depending on how the situation of the COVID pandemic develops we will plan an additional course or it may mean bringing everything together for the Summer Advanced Course 2021. At this moment without a crystal ball into the future it is likely we will conduct a Spring Course exclusively for this double grading opportunity, then continue forward with our usual 2021 Summer and Winter Advanced Course Gradings.
